EDUCATION

Bachelor of Computer Science (Software Engineering)

Universiti Teknologi Malaysia
06/10/2020 – 18/03/2025

📍 Johor Bahru, Malaysia.

Main Courses Completed:

Discrete Structure, Programming Technique I, Digital Logic, Technology & Information System, Computational Mathematics, Probability & Statistical Data Analysis, Programming Technique II, Computer Organisation and Architecture, Database, System Analysis and Design, Data Structure and Algorithm, Network Communications, Human Computer Interaction, Software Engineering, Web Programming, Operating Systems, Object-Oriented Programming, Applications Development, Artificial Intelligence, Internet Programming, Software Design & Architecture, Software Engineering Project I, Theory of Computer Science, Software Quality Assurance, Computational Intelligence, Mobile Application Programming, Web Technology, Critical and Creative Thinking, Software Engineering Project II, Real-Time Software Engineering, Software Construction, Introduction to Entrepreneurship, Technopreneurship Seminar.

Higher Secondary Certificate (SSC) - Pre-university

Notre Dame College
01/2017 – 12/2018

📍 Dhaka, Bangladesh.

Main Courses Completed:

Higher Mathematics, English, Physics, Chemistry, Biology, Bangla, Information & Communication Technology.

Secondary School Certificate (SSC)

Rajuk Uttara Model College
1/2015 – 12/2016

📍 Dhaka, Bangladesh.

Main Courses Completed:

Higher Mathematics, Career Education, Information and Communication Technology, Bangladesh and Global Studies, Physics, Chemistry, Biology, Islam and Moral Education, Mathematics, English – I, English – II, Bangla – I, Bangla II.

SKILLS

Soft Skills: Creative design Innovation Project management Strong decision-making Problem solving
Multitasking Time Management Teamwork Efficiency
Technical Skills: Web Application Development Software Testing Mobile Application Development Software Engineering Documentation Microsoft Office
Languages: HTML, CSS, C++, Java, Python, PHP, JavaScript, MySQL, Swift, Flutter, Dart.
Technologies/Frameworks/Libraries: Laravel, Vue.js, Angular, jQuery, Spring Framework, MVC Framework.
Tools: Jira, Docker, Xcode, VS Code, Spring Tool Suite 4, Android Studio, AVR Studio 4, Figma, WordPress.
Other: Data structures, Algorithms

LANGUAGES

Bangla – C2	English – C2
Hindi – B1	German – A1
Malay – A1	Urdu – B1

EXPERIENCE

Director of Application Development Team

Google Developer Student Club

Universiti Teknologi Malaysia, Johor Bahru.
2022-2023

Led the Application Development Team and directed a workshop on Flutter and Dart as the **main speaker**, teaching over 150 participants how to build mobile applications, and assisted in conducting a workshop on Git and GitHub.

Software Engineering Internship DreamEDGE Sdn. Bhd.

Cyberjaya, Malaysia
25/09/2023 – 09/02/2024

Completed 20 weeks long Industrial Training. Worked as a **software developer**, building a full-stack website for KidzTechCentre. Built an AI named MAYA-AI and integrated it into a hologram robot named MAYA.

Software Developer (Remote) Sinex Pte. Ltd., Singapore

01/02/2022 – 31/04/2024

Planned, designed, developed and delivered multiple software projects working alongside the Software Team.

PROJECTS
